

BATTLE GRIP

SIZING GUIDE

MEASURE ↓	SIZE →	SM/MD		LG/XL		2XL/3XL	
		MIN	MAX	MIN	MAX	MIN	MAX
DESIGNED TO FIT							
WAIST CIRCUMFERENCE (INCHES)		30	38	37	46	45	53
WAIST CIRCUMFERENCE (CM)		76	97	93	117	114	135

HOW TO MEASURE

Use a flexible tape measure and record all measurements carefully. Identify your natural waist by bending slightly to one side — the crease indicates the correct position. Measure around this point with the tape level, allowing slight room for comfort.

Accurate sizing is critical to ensure proper coverage, mobility, and protection in the field. All measurements should be rounded to the nearest full inch/cm.

For sizes outside of the guide, contact for custom.
